

Those of us pursuing a path rich in metaphysical values quite often seek out others of like mind. And, as you know, they are not always easy to find. That's why I felt it was so important to develop MysticalPlanet.com, an online community where spirit seekers can share knowledge and help each other along the path.

Please help us celebrate our manifestation - register for a special drawing at <http://www.mysticalplanet.com/cgi-bin/sgdynamo.exe?HTNAME=register0619.html&UID=!+USID!> When you sign up, you'll be entered to win a \$100 shopping spree and a Millennial Membership (over a \$45 value)! Plus, you'll get a FREE e-mail account and a FREE quarterly, full-color, online newsletter.

What else will you find at MysticalPlanet.com? Inspirational messages, moon phase/aspect information, links to resource pages, and more. Plus, if you're in the mood to browse, we've got a great line of metaphysical books, gifts, tools, and astrology reports in our metaphysical marketplace, Euphorium. Then, there's the community where you can share magickal experiences with others called the Village of Like Minds.

If you haven't visited the site yet, please join in the excitement – check it out at <http://www.mysticalplanet.com>. Our goal is to make sure the site is of true value on your path...rich in content, easy to use, fun to visit, and loaded with the metaphysical tools and accessories you need for your personal journey. Let us know what you think at <mailto:feedback@mysticalplanet.com>.

Join us today and bring your friends – after all, a meaningful community develops one person at a time... We're looking forward to getting acquainted!

Hope your day is filled with love and light!

Gala

* MysticalPlanet.com respects your right to privacy and will only use your e-mail address to contact you directly about MysticalPlanet.com or other news we believe will be of interest to you. At no time will we sell your contact information to other parties.

MysticalPlanet.com has gone to extra lengths to securely store all information you provide on a private network separate from the server connected to the Internet. This puts your information safely behind a firewall, protected by multiple layers of security. In addition, the server that runs the Web site is configured by reverse proxy to the Internet, making it virtually impossible for anyone to access stored information without appropriate authority.

If you ever decide you are no longer interested in receiving communications from us, you can simply reply to any e-mail message from us with "Cancel Registration" and your last name in the subject line.
